The only application hitherto received from the heirs of the deceased servants is from one Rama Jois, elder brother of K. Surya-narayana Sastry, No. 1 in the above statement, but applications from others have also to be anticipated sooner or later.

I would therefore request that sanction may be accorded to the payment of arrears to such of the heirs as may apply for the same to the extent specified in column 7 of the above statement. Insistence on the production of succession certificates in every case may not be desirable or necessary, but each case
